

Are the programs in your school having the impact you desire?

The Results Management Team at CETE

David Julian, Ph.D., Melissa Ross, Psy.D., Barbara Boone, Ph.D., Meredith Wellman, Ph.D., Beth Crawford, M.A., Scott Renshaw, and Carolyn Vesely

Who is Results Management Team?

We are a team of experts at OSU supporting schools in the application of research-based practices for engaging families, managing community partnerships, and evaluating whether programs are having their intended results.

If you would like to learn more, please contact us at results@osu.edu

How can we help your school?

- Family and community surveys and needs assessments
- Evaluation of school and community programs
- Facilitation of community partnerships to address the needs of your students and families
- Research partnerships
- Professional development for teachers and administrators
- Family engagement
- Connections to statewide resources
