

What is *Customized Professional Development?*

CPD is...

a new approach collaborating with OSU faculty directed toward assisting teachers and administrators to change, reform, or improve ways to help students learn

CPD is...

specialized and focus-designed courses to meet the needs and trends of YOUR district

CPD is...

delivered on-site at a place of YOUR choosing, making courses efficient and cost effective

CPD is...

obtaining an endorsement or license with flexible course delivery

Benefits of CPD for School Districts:

- Relevant
- Customized
- Flexible
- Held on YOUR campus
- Data driven
- Making an impact
